## First Circular and Call for Papers

**Sixth International Conference  
on  
Advances in Civil Engineering**

**October, 6-8, 2004  
Boğaziçi University**

**Istanbul - Turkey**

## OBJECTIVE

Sixth International Conference on Advances in Civil Engineering (ACE2004) will be held in Istanbul, Turkey, from October 6 to 8, 2004. The conference is organized by Boğaziçi University (ACE2004 host), Eastern Mediterranean University, Istanbul Technical University and Middle East Technical University every two years to enable dialogue among the leading researchers and practitioners from a broad range of disciplines. The aim of this conference is to discuss topics ranging from technical engineering concepts to social and economic issues, and to exchange experience and knowledge between people from industry and academia around the world.

## CALL FOR ABSTRACTS

Authors are invited to submit their abstract(s), on-line ([www.ce.boun.edu.tr/ace2004](http://www.ce.boun.edu.tr/ace2004)), by no later than November 1, 2003. Abstracts should not exceed 400 words.

In addition to academic papers, senior students are encouraged to exhibit their final projects in the "Student Poster Session." Best project will be selected and awarded. Those who are interested in participating in the conference should send a letter of intent by no later than April 1, 2004.
