

Student Life

Main Campus

Main Campus Swimming

Uçaksavar Campus offers sports and housing facilities to graduate students at ten minutes walking distance from the Department.

Scuba Club

Participation in student clubs and social events is considered an essential element of campus life. Besides participating in other extra-curricular activities, civil engineering students are in charge of the Construction Club.

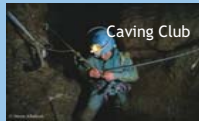

Folklore Club

Uçaksavar Campus Indoor Sports Facility

Uçaksavar Campus Track & Field

Caving Club

Sarıtepe Campus

Sarıtepe Campus is the newest addition to the University. It is located on the Black Sea coast at thirty minutes driving distance from the Department. Besides accommodating

the Coastal Engineering Laboratory, English Prep-School, and student dorms, it offers students water sports and leisure activities especially in the summer.

Kite Board World Cup

Construction Club

Istanbul Sailing Regatta

Surrounding the Campus, the City of Istanbul has a rich cultural and intellectual heritage. Students can enjoy studying at the cross-roads of western and eastern civilizations.

Our graduates enjoy the privilege of being members of the Boğaziçi University Alumni Club (BURC), an association active in the professional and social life of the society, supporting our graduates throughout their professional carrier.
